Plenty of possibilities

Numerosas posibilidades

ENG We proudly present our concrete inspired universal porcelain tiles. We put at your disposal nine collections which indulge us with a wide range of colors, variety of formats and different types of finishes.

The large format tiles available in this collection will form the background for modern arrangements and classic interiors. If we decide to install the available tiles, we will create a decorative element for our design. In both cases, the collections will indulge with their matte and lappato finish. Also noteworthy are step treads and baseboards which will complement the design of internal and external stairs.

We believe that our collections will help you make your dreams of a perfect interior come true.

ESP Les presentamos con orgullo nuestras baldosas de gres porcelánico inspiradas en el concreto. Ponemos a su disposición nueve colecciones que nos deleitarán con la amplia gama de colores, variedad de formatos y diferentes tipos de acabado.

Si elegimos baldosas de gran formato, obtendremos un fondo para diseños modernos e interiores clásicos. Si decidimos instalar mosaicos, crearemos un ambiente decorativo para nuestro diseño. En ambos casos, las colecciones nos deleitarán con su acabado mate y lappato. También destacan los peldaños y contrapeldaños que complementarán el diseño de las escaleras internas y externas.

Creemos que nuestras colecciones les ayudarán a hacer realidad sus sueños de un interior perfecto.

CONCRETE

ENG Concrete is a collection that embodies simplicity and elegance. It combines the beauty of raw concrete with impressive dimensions, allowing the creation of minimalist designs that serve as a perfect backdrop for designer furniture and simple, useful accessories.

Four color versions, available in matte and polished, give designers unlimited possibilities to arrange living rooms and bathrooms.

The Concrete tiles will perfectly complement living room fireplace designs as well as enable to create sublime bathroom interiors.

ESP Concrete es una colección que encarna sencillez y elegancia. Combina la belleza del concreto crudo con dimensiones impresionantes y permite crear diseños minimalistas que formarán un fondo para muebles de diseño y accesorios simples y útiles. Dos colores, disponibles en acabado mate o pulido ofrecen infinitas posibilidades de diseñar salones y cuartos de baño.

Las baldosas Concrete complementarán perfectamente tanto salones con chimeneas como baños sofisticados.

A distinct touch

Un toque especial

TACOMA

ENG With a distinct texture, slightly gloss surface and five color versions – Tacoma is a perfect duo formed by design and nature. The collection, inspired by the beauty of stone, will add a touch of originality to every interior and create a marvelous combination with both intense and muted colors.

ESP Visible textura, superficie ligeramente brillante y cinco variedades de colores – Tacoma es un dúo perfecto creado por el diseño y la naturaleza. La colección, inspirada en la belleza de la piedra, agregará un toque de originalidad a cada diseño y creará una combinación maravillosa tanto con colores intensos como no tan intensos.

Chic elegance

Elegancia y estilo

APENINO

ENG Apenino collection is the quintessence of style, simplicity and elegance. Carefully chosen colors allow to create not only a minimalist, urban kitchen arrangement based on beautiful, almost white tiles, but also a charming salon in a shabby chic style, where grey plays with feminine pastel pink. Porcelain tiles will also complement a refined bathroom's walls and floors with tonal elements of rust, accompanied by white, matte ceramics along with stylish wooden and golden accents. The visually appealing lappato finish, combined with the appropriate use of light, guarantees a unique effect for any interior.

ESP La colección Apenino es la esencia de elegancia, simplicidad y estilo. Colores cuidadosamente seleccionados permitirán crear fácilmente no solo el diseño de una cocina urbana y minimalista, basado en baldosas que tienden al blanco, sino también un encantador salón estilo shabby chic donde el gris armoniza con el rosa pastel femenino. Las baldosas de gres porcelánico complementarán un baño elegante donde reinarán, tanto en el suelo como las paredes, los elementos de color rustico, acompañados por la cerámica blanca mate y accesorios de madera y oro. El acabado de las baldosas lappato, extraordinario a simple vista, con la luz adecuada, garantizará un efecto único dentro del interior diseñado.

Grace of classics

El encanto de lo clásico

CAMBIA

ENG Cambia collection is a universal and timeless design that perfectly fits in both classic monochromatic arrangements, as well as in variable – as befits its name - contrast combinations. Square and rectangular black tiles bring peace and harmony to the interior, while the use of four available colors in the form of a bold plaid pattern, inspired by the world of fashion, emphasizes the dynamic and original character of any arrangement.

Also noteworthy are beautiful mosaics, a popular decorative addition, as they give lightness, charm and grace to bathroom and kitchen designs.

ESP La colección Cambia es un diseño universal y atemporal que puede ser aplicada tanto en interiores clásicos de un sólo color como en – según su nombre – una combinación de contrastes. Las baldosas cuadradas color negro introducirán al interior paz y armonía mientras que el uso de sus cuatro colores disponibles, formando un patron audaz inspirado en el mundo de la moda, resaltará su carácter dinámico y original. También cabe destacar que los mosaicos además de su belleza, son muy populares entre los inversionistas ya que brindan iluminación, encanto y gracia a los diseños de baños y cocinas.

Discreet charm of minimalism

Discreto encanto del minimalismo

TASSERO

ENG Tassero collection was created with minimal, sometimes even ascetic arrangements in mind, with the domination of simple forms, subtle colors and scarce accessories. A delicate pattern of worn concrete and tonal coloring of the elements, form a basis - literally and figuratively - for the harmonious use of space. Bright colors of the tiles perfectly fit into the concept of an illuminated Scandinavian interior, with wooden furniture and a linen sofa. The intriguing graphite grey will perfectly emphasize the industrial and, only apparently, cold nature of the arrangement.

ESP La colección Tassero ha sido creada para interiores minimalistas que tienden al ascetismo, donde predominan formas simples, colores sutiles y escasos elementos adicionales. Un delicado diseño de concreto desgastado con tonos de colores construirán la base - literal y metafóricamente - para dar armonía en el espacio. Los colores claros de las baldosas corresponderán perfectamente con el concepto del interior escandinavo, lleno de luz, con muebles de madera y sofá de lino. El grafito intrigante subrayará el carácter industrial y, sólo aparentemente, frío, del diseño.

Sophisticated simplicity

Simplicidad refinada

LUKKA

ENG Lukka collection is a unique offer for those who dream of sophisticated interiors, decorated in a minimalist style. Perfectly reflecting the characteristics of a raw concrete surface, it will captivate all, both in a spacious yet elegant living room, a small but beautifully lit kitchen and in a refined bathroom. Square tiles laid traditionally will give the interior a bit of a classic style, while rectangular elements, placed as modules, will be great in a dynamic and energetic design. On top of that, an intriguing color palette - from broken white, through light grey and warm dust, to intense graphite grey, Lukka enables to successfully create not only monochromatic interiors, but also charming multi-colored compositions.

ESP La colección Lukka es la propuesta para los que sueñan con interiores sofisticados, decorados con un estilo minimalista. Refleja perfectamente las características de una superficie de concreto crudo, que cautivará a todos, tanto en un espacioso y elegante salón, una cocina pequeña pero perfectamente iluminada como en un refinado baño. Las baldosas cuadradas colocadas de manera tradicional le darán un estilo clásico al interior, mientras que los elementos rectangulares, colocados como módulos, serán ideales para interiores dinámicos y llenos de energía. Además, hay una interesante paleta de colores - desde el blanco, pasando por gris claro y polvo cálido, hasta grafito intenso, creando con éxito no solo interiores monocromáticos sino también composiciones multicolores encantadoras

DIMENSIONS AND SURFACE FLATNESS	NOMINAL DIMENSION N		
	7cm ≤ N <15	N ≥ 15 cm	
tests according to PN-EN ISO 10545-2	Length	± 0,9mm	± 0,6% i max ± 2,0mm
	Width	± 0,9mm	± 0,6% i max ± 2,0mm
	Thickness	± 0,5mm	± 5% i max ± 0,5mm
	Deflection from the straight angle	± 0,75mm	± 0,5% i max ± 2,0mm
	Surface flatness	± 0,75mm	± 0,5% i max ± 2,0mm

PN - EN 14411:2013-04 ANNEX G AND DECLARED			
	PHYSICAL PROPERTIES	REQUIREMENTS	MEAN VALUE ACHIEVED
	Water absorption, tests according to PN-EN ISO 10545-3	E ≤ 0,5%	0,05% - 0,10%
	Breaking force, tests according to PN-EN ISO 10545-4	for thickness ≥ 7,5 mm - ≥ 1300 N	2000-2200 N
	Flexural strength, tests according to PN-EN ISO 10545-4	> 35 N / mm ²	40-50 N / mm ²
	Abrasion resistance, tests according to PN-EN ISO 10545-7	according to the manufacturer's declaration	kl. 3 - 5
	Frost resistance, tests according to PN-EN ISO 10545-12	required	resistant
	Chemical resistance, tests according to PN-EN ISO 10545-13, - to acids and bases of low concentration, - to acids and bases of high concentration, - to household agents/water pool salts	- according to the manufacturer's classification - min. B	- LA - HA - A
	Non-slip qualities, tests according to DIN 51130, + complementary procedures	according to the manufacturer's declaration	smooth and textured surface - R9 - R11
	Release of lead and cadmium PN-EN ISO 10545-15	requirements of the Commission directive 2005/31/EC ≤ 0.8 mg/dm ² for lead ≤ 0.07 mg/dm ² for cadmium	Lead < 0,1 mg/dm ² Cadmium < 0,02 mg/dm ²
	Natural radioactivity ITB 455/2010	no requirements	below regulatory safety limits
	Resistance to staining PN-EN ISO 10545-14	min. 3 cl. (GL)	cl. 5
	Crazing resistance, tests according to PN-EN ISO 10545-11	required	resistant
	Thermal shock resistance, test according to PN-EN ISO 10545-9	required	resistant
	Dynamic coefficient of friction (DCOF), tests according to ANSI A137.1	min. 0,42	-
