In the rhythm of exceptional design

Vivacious, but full of class. De nada!

Do you hear that energetic music? Do you feel how the air vibrates, pulsates and resonates? Warm sand under your feet, a blue sheet of water on the horizon, and a singular thought in your mind: how to hold on to this aura for just a little bit longer, hold it in the palm of your hand and take it with you wherever you go, so this exotic feeling can delight you with its rhythm and contrast on a daily basis. You're already aware that parting with the azure ocean, golden beach and the deep, dark, rocky outcrops will be of great difficulty. But do you really have to part with it all?

Perfection epitomized in marble

Thassos - Indisputable wonderment and awe. Parakalo!

A light breeze, clear blue skies and a sea the color of which is indescribable. The time here flows slower, everything tastes finer, and the mind saturated with the fresh air absorbs the Mediterranean climate and detects that, which at the first glance is inconspicuous. Magic encapsulated in the tiniest of details.

Morocco - Shrouded in mystery

Through the mesmerizing, sandy deserts of the Sahara and the bewitching cedar forests of the Middle Atlas, to the spellbinding coastal lagoons. This magical land of the setting sun invites you to come on a fantastic journey brimming with the Orient, accompanied by an aromatic glass of "the à la menthe" in your hand. A colorful mosaic of oriental culture.

Beauty full of contrasts

**With class, but modern.
Minimalistic, but impressive. There you go!**

It allures with the bustle of eclectic streets, flirts, permeating the sounds of nightlife through the air, distanced by the cold, concrete grayness one minute, only to a moment later, amaze with the blinding glow of neon lights or to calm the senses with the greenery emerging from between the buildings. New York – the Big Apple – a city with tastes that differ according to palate.
